TERMS AND CONDITIONS *(Please read and review carefully before signing)*

1. The move-out form must be completed a minimum of thirty-days before the move-out date. All internal and external moves must be reported to CHF BC and TELUS.
2. When the member is moving out of the co-op, the member is responsible to make a one-time payment for the remaining balance of the original one-year term on the contract. The services can then be transferred to the new address and the discount will run until the end of the contract's expiry date.
3. A member that internally moves to a new unit in the same co-op building will continue to make the regular monthly telecom payments to the co-op and will not be required to make a one-time payment for the remaining balance of the original contract. All terms and conditions of the original agreement apply.
4. Additional services including, but not limited to, higher tiered Internet, individual channels, theme packs, long distance plans, unlimited data usage, and/or additional home phone service are available. TELUS will directly bill members for any additional services on their home services bill. Standard TELUS terms of service apply.
5. The signing member is responsible for all TELUS rental equipment.
6. The signing member agrees to CHF BC and the co-op providing contact information to TELUS for the purposes of confirming offer/product details, confirm credit details and to schedule installation of services. In addition, the signing member agrees to allow TELUS technicians access to their suite to install services.
